FROM THE CLUB

TOM WARREN - SECRETARY

Firstly, I'd like to welcome all the players, management team, club officials, and travelling supporters from our friends at Southwater to the memorial fields for today's game, we hope you enjoy the game and travel safely.

As I always do, a massive thank you to all our wonderful volunteers who have given up their time over the summer "break". As well as the usual yearly administration tasks, our volunteers have given up their time to renovate the changing rooms and produce an excellent playing surface for the start of the season. Clubs like ours really would not still be here without their commitment and generosity.

Also a massive thank you to all our new and existing sponsors for the upcoming season, without you we would not be able to run the club, your support is hugely appreciated by everyone at the club.

Now on to the pitch, the rebuild continues at the club, and I am delighted that this year we have been able to welcome back a number of players back who left the club a few years ago. Adding these alongside the majority of the squad last season, bodes for an exciting season which hopefully sees another season of improvement!

I hope you all enjoy the match and the upcoming season. Come on you Yellows!!

FROM THE DUGOUT

JAMIE PARSONS - MANAGER

This pre-season has been incredibly productive we have learnt a lot playing some very good established county league sides like Mile Oak, Alfold and a very impressive Billingshurst side. Young talented additions such as Zack Mongan and Jamie Smart both coming in from Steyning on dual registration along with the mercurial Jonny Taylor have added skill and guile to the squad. They have been joined by established signings like Kris Harding and Deni Nicolau who bolstered our squad and given us some much-needed county league experience.

Today is also the day we acknowledge the life of my Dad Glenn Parsons who notably played a role in the charity game the club played against Brighton in 1984 (picture below). Dad featured for the club throughout the 80's & 90s playing various roles from player to manager to committee member. Ultimately my Dad's greatest love was football and he famously had a school report where the teacher remarked "If only all the world was football". Within local football, he certainly touched a lot of lives, especially players who got their first break in senior football and some who needed belief shown in them.

Please join his family and friends in a minute's applause before our game today and thank you Southwater for joining us.
