FROM THE DUGOUT

RYAN HARMAN - MANAGER

First of all, I'd like to welcome all the players, management and supporters from Chichester and of course those locally from Upper Beeding to the Memorial Fields today.

Certainly not the start of the season we wanted. With me being silly pre-season and having a 2 match ban I've not been as hands on as I've wanted to be. However I'm back and keeping myself as calm as I can be and wanting to turn things around. I personally think it's a case of having too good of a pre season and taking this league which is hard for granted! Once we're finally full strength I think we'll be absolutely fine. We're a young and hungry side and I definitely think we will go on a nice run when we finally click.. Its a process and 3 games Certainly doesn't define a season.. the clubs not been in a great place over the last few seasons and im determined to do everything we can to change the results on the pitch. I hope today our home support will be behind the lads just like pre season.
