ELECTRICAL

Our service is your power

A big thank you to Kew Electrical for being our programme sponsor this season, we hope this will be a long and positive partnership for both parties.

Podium are a group of psychologists, data scientists, and technologists who design hiring and development assessments based on the latest psychological science.

Their assessments are reliable, valid, innovative, and customisable. They provide an outstanding candidate experience. The platform is scalable and secure.

FROM THE CLUB

I'd like to welcome all the players, management team, club officials, and travelling supporters from our friends Hurstpierpoint to our new home at Steyning Town FC. I hope you enjoy the game and have a safe journey.

As I always do, a massive thank you to all our wonderful volunteers who constantly give up their time throughout the week and on matchdays. Especially this last pre-season, the club has grown both on and off the pitch with the introduction of 3 new sides to the club and plans to expand further in the coming seasons.

Ryan and his management team have worked extremely hard to put together a competitive squad and after a positive pre season have started the season well, creating a positive atmosphere around the club and long may that continue.

I hope you all enjoy the match. Come on you Yellows!!

FROM THE DUGOUT

A warm welcome to all from Hurstpierpoint who have had a couple years out of the county system and have had a good time in the mid sussex divisions. After a day's rest we hope today will be an entertaining game it being our first in our new ground for the season.

We've recruited well pre season and have started the season strong as I would have expected.

We welcome our mascots from our newly formed youth sides today along with what I hope to be a decent crowd too!

I've been manager for just over 12 months and I've enjoyed the roller coaster that is Upper Beeding FC. Here's to many more good memories and results this season.
